

## END USER LICENSE AGREEMENT

FOR AND IN CONSIDERATION of your payment of the license fee ("License Fee"), STUDIO GURUS, LLC ("Licensor") grants to you the non-exclusive right, to embody the master recordings (the "Masters") and the underlying musical compositions ("Compositions") owned by Licensor, that are explicitly listed on the Licensor's Website located at: [www.thevampshop.com](http://www.thevampshop.com) in connection with the catalog of recorded music in the form of packaged loops and/or samples ("Product"), in newly created master recordings produced by you (each a "Licensee Recording"), and the non-exclusive, non-transferable right to publicly perform, distribute, transmit and otherwise exploit the Licensee Recording(s) in audio-only phonograph records (in all configurations, forms and formats, physical, digital or otherwise, now known or hereafter devised, including without limitation transmissions via the internet as well as so-called downloads and streams), music videos, and ring tones / ring tunes embodying solely the Licensee Recording throughout the World ("Territory") for the duration of the copyrights of the Master and Compositions contained in the Product ("Term"), subject to the terms, conditions and limitations contained herein. For the avoidance of doubt, each Licensee Recording shall be considered a "derivative work," as such term is defined in the United States Copyright Act of 1976 (including without limitation, 17 U.S.C. §§ 101, 103, and 114).

For clarity, the non-exclusive license granted to you herein permits you to commercially release the Licensee Recordings digitally and physically on Your website, social media sites, through online retailers (e.g., iTunes), and via digital streaming services (e.g., Spotify, Apple Music, SoundCloud, etc.), including on so-called "beat tapes" and "mixtapes"; provided however, that you shall not be entitled to enter into any third party distribution agreement(s) without Licensor's prior written consent (with the sole exception of artist-direct digital distributors, e.g., TuneCore, DistroKid, CD Baby, etc.). The foregoing permitted exploitation of the Licensee Recordings shall be referred to herein as "Independent Licensee Distribution."

In addition to the License Fee, you hereby acknowledge and agree that you shall pay to Licensor the following royalties: (a) In the event that any Licensee Recording through Independent Licensee Distribution meets or exceeds: (i) One Hundred Thousand (100,000) aggregate streams on digital streaming platforms, including but not limited to, Spotify, Apple, SoundCloud, etc.; (2) Fifty Thousand (50,000) streams on any single digital streaming platform; or (3) Five Thousand (5,000) aggregate digital downloads on all digital music stores, you shall promptly contact Licensor to obtain formal clearance of the respective Master(s) and Compositions(s) embodied in the Licensee Recording(s); provided that in no event shall the royalty payable to Licensor be less than twenty percent (20%) of any advances, royalties, and/or other monies credited or paid to you in connection with the exploitation of the Licensee Recording(s).

In the event that you enter into negotiations for the purpose of executing any agreement with a Major Record Label (as hereinafter defined), an independent record label (regardless of size or stature), and/or any music publishing company, regardless of the exploitation thresholds set forth above, with respect to the sale, distribution, exploitation or any use of the Licensee Recording(s) whatsoever, you shall promptly notify Licensor to enter into formal negotiations with respect to Licensor's ownership of the Licensee Recordings and the underlying musical compositions. Notwithstanding the foregoing, Licensor shall be entitled to at least twenty percent (20%) of any advance, royalties, and/or other monies credited or paid to you by such Major Record Label, Qualifying Independent Label, or music publishing company. In the event that you fail to notify Licensor of entering into any such agreement, you shall nonetheless pay to Licensor twenty five percent (25%) of any advance, royalties, and/or other monies credited or paid to you by any such third party immediately, and in accordance with the terms hereof.

(a) As used herein, "Major Record Label" shall mean a record label or company: (i) which is a parent or subsidiary of, and/or is affiliated with (i.e., shares common ownership with), one of the "major" distributors in the United States (which distributors are presently Sony, Universal and the Warner Music Group/WEA), (ii) which is a parent or subsidiary of, and/or is affiliated with, one of the so-called "indie" distributors which provide national distribution (which "indie" distributors presently include, without limitation, Ryko, Caroline, InGrooves, The Orchard, Rounder, Kobalt/AWAL, BMG, ADA and E1), and/or (iii) whose records are distributed by any such "major" or "indie" record label, company or distributor including without limitation, your own record label.

In the event that you commercially release and/or otherwise commercially exploit any Licensee Recording(s), you shall afford Licensor credit substantially as follows on the liner notes of any singles, EPs or albums (in any configuration and in the associated metadata, where applicable):

This Agreement does not include any right or authority: (a) to use any Master(s) or Composition(s) embodied in any Licensee Recording(s) in any film, television show, commercial advertisement, video game or other so-called master use or synchronization license (any such contemplated use shall require you to contact Licensor and negotiate any such proposed use, including the payment of an additional licensee fee(s) for Licensor, in good faith); (b) to sublicense any Master(s), Composition(s) and/or the Product as a whole, in any manner, shape or form; (c) to reproduce and/or otherwise redistribute and Master(s), Composition(s) and/or the Product as a whole in any new "sample" and/or "loops" packs or otherwise use the Master(s), Composition(s) and/or the Product in any manner, shape or form that is competitive with Licensor's business; (d) to sublicense, sell, loan, share, lend, broadcast, rent, lease, assign, distribute, or otherwise transfer any Master(s) and/or Composition(s) to any third-party except as same may be incorporated into a Licensee Recording, in which event such Licensee Recording shall be subject to the terms, conditions and limitations contained herein; (f) to use the name, likeness, or biographical information of any artist, producer and/or composer associated with any Master and/or Composition in any manner shape or form without Licensor's prior written consent; or (h) to make any other use of any Master(s), Composition(s) and/or Product not expressly authorized herein.

Licensor may, at its election, assign this Agreement or any of its rights hereunder to any person and at any time. You may not assign any its rights hereunder without the prior written consent of Licensor, which consent may be withheld by Licensor in its sole and absolute discretion.

This License sets forth the entire agreement between the parties with respect to the subject matter hereof, may not be modified, amended, terminated (except as otherwise set forth herein) or discharged unless confirmed in writing by all parties hereto. This license shall be construed in all respects in accordance with the laws of the State of New York applicable to contracts entered into and to be wholly performed therein.

By purchasing the Product and paying the License Fee, you agree to be bound by the terms and conditions of the Agreement set forth above.
